The Austrian Government will not replace them if they resign. The Paris Pays says that the Emperor Napoleon has received a letter from Maximilian declaring that he was disappointed by the promises of support from Austria, and that he will endeavor to return to republican confusion and anarchy, rather than submit to the dictation of Austria. Maximilian's letter has been published in Austria, and has created a profound sensation. It is said that Austria will endeavor to take advantage of the situation.

The new offices to end remarks upon the unanimity of the Government. It is said that there will probably, a reform which must decide the durability of the Liberal party and the inspiration of a new construction of the Ministerial personnel in the Commons, if the Cabinet fail to find a new Parliamentary leader. Decision of Judge Trigg in the McGuire Case—The Writ of Habeas Corpus Denied.

[Special Despatch to the Chicago Tribune.]

NASHVILLE, Nov. 11.

Judge Trigg gave his decision to-day in the McGuire case. The opinion was written out at length and will be published. It assumes that the rebels were belligerents, entitled to all the rights of civilized warfare to the same extent as the United States Army, consequently McGuire cannot legally be punished for an act done in the time of his duty as a Confederate officer; but, as Congress has prohibited the Judges of National Courts from interference in State matters, he declines to issue the writ of habeas corpus, as prayed for. The Confederacy, he says, is not a Government, and the United States Government is a Government, which might have been suppressed. The Sheriff of Knox county was ordered to produce the body of McGuire in Court on the 20th inst. He will be remanded to the custody of the Sheriff of Knox county, who will be ordered to execute the sentence of the Court.

FROM CINCINNATI.

A Deadly Affray—Railroad Accident—Sunday Newspapers—Religious Efforts.

[Special Despatch to the Chicago Tribune.]

CINCINNATI, Nov. 11.

On Sunday evening in a dance house on Vine street, an affray occurred between one Jem Jim, by the name of Welsh and Swift. While the Welsh and Mr. Swift were in conflict, the latter with a hatchet, a bystander, Michael Craig, rushed in and snatched the hatchet from Mrs. Swift, struck the Welsh man a severe blow on the head with the edge. The wounds died in half an hour, but Welsh will probably survive. Craig made his escape.

Another fatal accident occurred this morning at Linwood on the Little Miami railroad, six miles from this city, by which Wm. H. Paddock, publisher of the Cincinnati Commercial, was killed. Mr. Paddock, it appears, had just crossed the track of the Columbus train, and was standing on the track of the Cincinnati train when he was struck by the engine and instantly killed. The engine came down the other track near the station, and the engineer and other employes were up and shouting his violent approach, but Mr. Paddock, it appears, was deaf, and did not hear the shouts. He received a severe blow on the head, and his body was mangled in a shocking manner.

Wm. Lloyd Garrison, Esq., informed the Government, when his official books and papers could be examined, and the amount of his claim ascertained. It is believed that the evidence found in these books and papers will show that the amount of the claim will be over $100,000. The amount of money secured for the trial of Young Wonder and Dunbar, for the murder of Mr. Lincoln, is $1,000, including higher positions in the rebel service, who were implicated in the Andersonville barbarities.

Massachusetts Claims—The Spanish Assault on Chili—Confederate Friends—General Kilpatrick's Appointment—Taxation in South Carolina—Treasury Decision.

NEW YORK, Nov. 10.—Governor Andrew is at Washington for the purpose of a settlement of the accounts of Massachusetts against the Government for services rendered.

General Information is felt in Government or diplomatic circles of the assault upon the Chilian Minister at Madrid, and the passports for the Minister consequent upon the refusal of satisfaction. It is believed the greatest unanimity of feeling prevails among the people.

Gov. Hahn, just from Louisiana, represents that the reconstructed rebels of that State are willing to accept the situation, and that the Legislature will soon abolish slavery by formal enactment and constitutional amendment. He says that the Louisiana regiment of rebel soldiers will be mustered out within a month. At Atchafalaya, Red river, and Texas, the rebels are disposed to be refractory, and the old Virginia order will have to be resorted to.

The Secretary of War has notified the Governor-master General that officers of the Veteran Reserve Corps whose services are not required will be mustered out. Officers who have served three years, and those who hold commissions dated prior to 1865, shall be retained in the service, and assigned to duty in the Veteran Reserve Corps, or mustered out by the act of Congress, March 3d, 1865.

The Tribune's Washington special despatch says:—The appointment of Gen. Kilpatrick as Minister to Chili will not result in the immediate withdrawal of the rebel Minister, Mr. Harris, as has been stated. Mr. Harris will not leave until he receives his passports, and will not receive them until he has made a demand for reparation for the aggression of Spain upon Chili. Gen. Kilpatrick will not start for his destination until the early or the middle of January next.

Among the luxury now accounts that are being settled by the Government is that of Mr. Seward, the bill for which is $1,000. Seward, Secretary of State, for the charter of the Secretary of the Interior.

The Governor of South Carolina has addressed a letter to the Secretary of the Treasury, stating that the State have the purchase of property from the citizens of Virginia, Tennessee, and other States, and that no claim will be paid to Rebels for property taken by the Union forces. Those wishing to be disloyal will be turned over to the military authorities, who will muster them out as soon as he can get around to them.

MR. BIGELOW TO MR. SEWARD.

"LEGATION OF THE UNITED STATES, PARIS, Oct. 4.

SIR: I have the honor to acknowledge the receipt of your despatch, No. 1, of the 19th ultimo, by which I am advised of the appointment of J. C. Derby, Esq., of New York, as agent for the French Universal Exhibition of 1867, to serve in the United States; and I have the honor to enclose a copy of a letter this day received from Mr. Beckwith, Commissioner of the exhibition for the United States, which explains the manner in which it is proposed to select the articles to be sent to the exhibition, and which would appear desirable that American visiting to Paris in 1867 should be informed of the rules which have been established. This will enable exhibitors to make their applications with specifications of the articles they propose to send, and thus to secure places in the exhibition, which, otherwise, they might have to seek in vain on their arrival. I have the honor to be, sir, your obedient servant,

JOHN BIGELOW.

Hon. WM. H. SEWARD, Secretary of State, Washington.

Decision of Judge Trigg in the McGuire Case—The Writ of Habeas Corpus Denied.

[Special Despatch to the Chicago Tribune.]

NASHVILLE, Nov. 11.

Judge Trigg gave his decision to-day in the McGuire case. The opinion was written out at length and will be published. It assumes that the rebels were belligerents, entitled to all the rights of civilized warfare to the same extent as the United States Army, consequently McGuire cannot legally be punished for an act done in the time of his duty as a Confederate officer; but, as Congress has prohibited the Judges of National Courts from interference in State matters, he declines to issue the writ of habeas corpus, as prayed for. The Confederacy, he says, is not a Government, and the United States Government is a Government, which might have been suppressed. The Sheriff of Knox county was ordered to produce the body of McGuire in Court on the 20th inst. He will be remanded to the custody of the Sheriff of Knox county, who will be ordered to execute the sentence of the Court.

In the Senate, a resolution, asking Congress to appropriate $1,000,000 for freedmen's relief, was adopted. Some angry discussion took place between Senator Stanley and Mellen upon a personal issue.

STOCK GAMBLING.

The "Corner" in Prairie Du Chien.

[From the New York Evening Post, 19th inst.

Wall street has lately been in a very unusual quiet by an operation which for brute force stands the no-board system." The stock of the Milwaukee and St. Paul Railroad Company, which has its Chief Office in the city of Prairie du Chien, a number of "shorts" contracted to remain uncovered. Much over a million dollars have been made and lost in within a week, and it is possible that the outstanding contracts are quite as large. Millions! Millions! Millions! Again, we tell the story in detail.

First, as to the stock concerned. The road from Milwaukee, Wisconsin, to Prairie du Chien, Wisconsin, on the Mississippi, 192 miles, with a branch to Minnesota, 42 miles, and rendering it available for Spanish connections, was completed in 1857 by the Milwaukee and Mississippi railroad, at a cost of about $1,400 per mile, 500 per cent of which remain uncovered. THE CITY.

LARCENY OF A WATCH.—A young fellow giving his name as George Thomas was brought before Justice MUNDEE, at the Police Court yesterday, charged with the larceny of a gold watch, the property of Mr. H. Hoffman, of No. 120 Harrison-st. The complainant testified to the watch having been stolen from his room on the night of the 9th inst. The case remained in the hands of the police.

FROZE THE ARTERY.—Another attempt was made on Sunday night last to fire the dwelling, by one of the prisoners, who, incensed either by a desire for revenge, or the wish to escape, threw a red hot stove-lid at the officer who was guarding him. It was missed. A complaint against the prisoner for the attempt to commit arson was subsequently preferred by the night watchman.—William Carson.

MOVEMENTS OUT.—By our term of yesterday we stated that Captain BARNES, Quartermaster, U. S. A., had left the Dan Rice Show for Cincinnati. We find, however, we were misinformed in that respect, and that they were to remain in Chicago and exhibit here for a few days. The Captain, we learn, has gone to Cincinnati on private business.

THE INDIA BLOCK.—The work of raising to grade the iron block on the corner of South Water and Wells streets, will be commenced on Wednesday morning. It is the intention of the contractors to give access to the basement to ladies and gentlemen during the progress of the work, thereby affording an opportunity of witnessing the interesting process. It is the handsomest block ever raised in this city or the world.

BEFORE COMMISSIONER HOYNE.—The proprietor of a variety store, No. 144 Dearborn street, was brought before United States Commissioner HOYNE, yesterday, to answer the charge of selling obscene pictures, contrary to law. The defendant, it appeared, in the daily sale of his wares, disposed of a book to a police officer for the purpose of availing themselves of the fact that conveyed but for purchase along that line and bringing them to justice. The case was continued for one week in the sum of $1,000 in bonds.

ATTEMPT TO STEAL A WATCH.—THOMAS GREEN, a lumber or other peoples property, on Sunday evening was caught in the act of confiscating a gold watch from one Peter Murphy, who resides at No. 109 Indiana street, in this city, while the latter was asleep. Green was brought up in the Police Court yesterday morning, and required to give bail in the sum of $500 to stand trial in the Recorder's Court.

A BOAT AFFAIR.—As Mr. Silas B. Sherman, an engineer on the Michigan Central railroad, was walking along Clark street, on Saturday evening, a fellow named Charles Burchard had a boat on his head and pitching it up, pitching it upon his own crushed, and started to run, when an officer who witnessed the transaction, and others, gave chase and caught him. At Police Court yesterday he was required to give bail in the sum of $500 to answer the charge before the Grand Jury.

COUNTERFEIT MONEY.—James Spooner was arraigned yesterday before Justice HAMMOND, on the charge of passing counterfeit money. The defendant passed a twenty dollar greenback on Peter Caldwell, a saloonkeeper, and subsequently on another saloonkeeper, and refused to redeem it because the bailiff to whom Caldwell applied to get the money back was "a constable." The prisoner was held to bail in the recognizance of the said term of the Recorder's Court.

FIRE.—About two o'clock yesterday morning, a fire broke out in the basement of a building, No. 84 Monroe street, occupied by Mr. E. CHADWICK, as upholsterer, and Messrs. Hudson & Burroughs, manufacturers of a branch of the trade. The flames were extinguished by the Fire Department, but not before considerable damage was done to the stock of both parties. The building is owned by Mr. Hall, and is insured for $2,000. The stock of Mr. Chadwick was insured for $1,000 in the Home Insurance Company, and that of Messrs. Hudson & Burroughs for $2,000 in the Hamilton Company.

THE SOLDIERS' CONVENTION.—On Wednesday of this week will be held in this city, a convention of the "White Armies," or "Blue Armies," or "Army of the Tennessee," Association, for the purpose of devising some plan for the perfection of the organization, and of collecting and publishing the names of the soldiers who fell in the service while in those portions of the city from which the Associations were formed. The third and fourth divisions of the Seventeenth Corps are represented by the White and Blue Armies; the "Army of the Tennessee," speaks for itself. The object of the meeting is to bring into a compact form, and if there be a fund about the organization, to find out how it may be disposed of to the best advantage. In connection with the discussion of these matters, it is expected that the question of a reunion will be taken. Join the ranks, fill up, one or two years hence, and have a jubilee. The reminiscences may be gathered, the meeting of comrades will be enlivened by CORY. HOUGHTON and other distinguished officers.

ALLEGED THEFT OF AN EXPRESS PACKAGE.—Yesterday afternoon a young woman giving her name as Bridget Hayes, was placed in the prisoner's dock at the Police Court, to answer to the charge of misdemeanor under false pretenses. It appeared from the testimony that a package consigned for Pittsburg received at the American Express Office on Saturday evening, was delivered by the defendant to a stranger. A note was subjoined through the Post Office informing the owner of the arrival of the package, and that it left the express office on the same evening. Hayes, after serving her time, will be required to give bail in the sum of $500 to answer the charge before the Recorder's Court.

A FARMER OF TEA.—Yesterday afternoon Mr. T. C. H. MOREIT, the proprietor of a wholesale tea establishment at No. 125 South Water street, while sitting in his office noticed a woman coming down the street with a basket on her arm, and a child straggling under her shawl. Not exactly liking her appearance, he followed her into a grocery store, and certain what it was that she expected to purchase in the establishment, he followed her to the counter, when she turned and two large baskets filled with tea were discovered. It appeared that Mr. MOREIT discovered a chest of tea before open and helped himself to a few pounds, and then proceeded to the store of Mr. GEORGE, where he was arrested. The woman was held to bail in the sum of $500.

ALLEGED LARCENY AS BAILEE.—William Fagan, the proprietor of a bowling saloon on the corner of Douglas, was brought before Justice SHEVERICK at the Police Court yesterday afternoon on the charge of the larceny of property, probably one of his bowling balls, from William Hoffman. The evidence showed that Hoffman left the ball in Fagan's saloon on Friday last, and that Fagan had pawned it for cash on Saturday. Despite the protestations of the latter that he had obtained goods to the amount, whereupon Justice SHEVERICK ordered him to take the money he returned the property of Mr. Hoffman, he placed the ball in the hands of the latter, who thereupon left the court-room. The prisoner is under bonds in the sum of $500 to appear at the next term of the Recorder's Court.

ST. GEORGE'S SOCIETY.—The St. George's Society held a special meeting last evening, at their rooms No. 103 Clark street, for the purpose of making the disposition of the donations of the citizens in the hands of the Society. Mr. William Wyman presided. After the minutes of the society had been disposed of, the main subject of the meeting was taken up, and it was moved that the $200 be appropriated to the improvement and adornment of the St. George's burial lot in Rosehill Cemetery, and the balance of the fund, between $1,200 and $1,300, invested in United States 7-30 bonds, the investment of money in the larger portion of the fund to be made at the discretion of the Trustees. After the transaction of a few matters of minor importance, the meeting adjourned, subject to the call of the President.
